Dear All,

Thank you so very much indeed for your very kind and generous donation of £1,000 toward the prize fund for Law Rocks! 2010. As you know, each year the event endeavours to help as many charities as there are bands entered whilst also giving a healthy sum to Cancer Research, and the range of causes covered is vast. Your generosity will increase the amount of money received by each one, for which I, the bands participating, and the charities themselves are eternally grateful.

Yours, in rock,
